

## **'Trial' Membership - 2011**

The Board of Governors has established a "Trial Membership" for the purpose of generating new memberships at North East River Yacht Club. This membership will have the following criteria:

- Be a "one-time" privilege that can be invoked once in calendar year
- Be of a two week duration maximum
- Have a "Trial Membership Fee" as established for the current year by the Board of Governors for each partial or full week
- Be limited to only the use of any and all facilities and the participation in any and all Club social functions during the duration of the trial membership period
- Be open to any person of good moral character age twenty one (21) and over who shall agree in writing on the "Trial Membership Application Form" to abide by the Club By-Laws and Rules and Regulations as then in force
- Be extended to both relationship partners and any dependent children under the age of twenty one (21)

During the course of this "Trial Membership", should an applicant desire to bring a vessel to the NERYC marina, they will be subject to suitable space available and be required to pay the then current Transient Fee for space and electrical use as established for the current year by the Board of Governors for the duration of their marina occupancy.

Said "Trial Membership" may be converted to a Full Membership by the completion of the NERYC Membership Application Form submitted to the Board of Governors for approval.
