

## NERYC Invitational Race

The North East River Yacht Club hosted their annual Invitational Race on Saturday June 11th.

A distance race utilizing Region One marks between Turkey Point Light and the Sassafras River Mouth, the event is a firm favorite amongst Region One (Northern Bay) racers. Although light and shifty conditions challenged the fleet for the first 3 legs, the wind did eventually fill in allowing for some exciting finishes and interesting results. Our thanks to US Sailing PRO Brooks Zerkel for travelling up from Virginia once again to officiate on the RC boat for the event.

After the race sailors headed back to the Rum Tent and Pig Roast party at NERYC to partake in the fun, feasting, awards and musical entertainment. Members of NERYC's Junior Program were out in force selling tickets for the spectacular array of door prizes that were graciously provided by the event sponsors: Spin Sheet, West Marine, Harken, APS and Walden Rigging, all of whom, NERYC wishes to acknowledge and thank.
